<p><b>Practicum I:</b> This first specialized 10-hour training is designed for selected faculty members from each discipline. Its primary objective is to enhance instructors' engagement, promote interaction and collaboration, and facilitate their familiarity with communicative teaching methods. Throughout the Practicum, instructors will have the opportunity to:</p> <ol style="list-style-type: none"> <li>I. Present segments of selected courses.</li> <li>II. Develop mini lesson plans.</li> <li>III. Deliver and teach lesson stages.</li> <li>IV. Receive constructive feedback from both their peers and practicum mentors.</li> <li>V. Evaluate their performance.</li> <li>VI. Redesign and improve their educational content before re-delivery.</li> </ol> <p>The Practicum aims to empower instructors with practical skills and insights that will enable them to create dynamic and effective learning experiences for their students.</p>	<p>Selected University Faculty. Each group will comprise no more than 8 instructors</p>	<p>The first group will be trained in November 2023</p>
